MANAGEMENT IN THE DOWNSIZING PROFESSIONAL

Cooperatives are thought to function as a mechanism for managing cooperative
management by means of alternative forms of non-commercial cooperation. They
are described as a form of mutual aid, providing a mechanism for managing
cooperative relationships in a manner that allows for the coexistence of
commercial and non-commercial forms of cooperation.

Cooperation is a form of mutual aid that allows for the coexistence of
commercial and non-commercial forms of cooperation. It is described as a
mechanism for managing cooperative relationships in a manner that allows for
the coexistence of commercial and non-commercial forms of cooperation.

Cooperation is a form of mutual aid that allows for the coexistence of
commercial and non-commercial forms of cooperation. It is described as a
mechanism for managing cooperative relationships in a manner that allows for
the coexistence of commercial and non-commercial forms of cooperation.

Cooperation is a form of mutual aid that allows for the coexistence of
commercial and non-commercial forms of cooperation. It is described as a
mechanism for managing cooperative relationships in a manner that allows for
the coexistence of commercial and non-commercial forms of cooperation.

Cooperation is a form of mutual aid that allows for the coexistence of
